NEMA MOLDED TWIST-LOCKS

QUAIL ELECTRONICS, INC. IS PROUD TO RELEASE OUR NEW NEMA LOCKING CONFIGURATIONS. THE NEMA LOCKING PLUGS AND RECEPTACLES HAVE USUALLY BEEN SUPPLIED IN AN ASSEMBLED TYPE OF CONFIGURATION. TYPICALLY THESE ASSEMBLIES WERE BULKY, EXPENSIVE AND PRONE TO USER ERROR AND INCORRECT WIRING. TODAY QUAIL ELECTRONICS OFFERS THE MOST COMMON NEMA LOCKING PLUGS AND RECEPTACLES IN A SLEEK MOLDED CONFIGURATION. THESE MOLDED PLUGS AND RECEPTACLES CAN BE SUPPLIED WITH SEVERAL CORD TYPES AND WITH MANY OPTIONS ON THE OTHER END.

□ THE NICE THING ABOUT HAVING IT MOLDED IS THAT IT'S WIRED CORRECTLY, WATER PROOF, LESS EXPENSIVE, AND CAN'T BE TAMPERED WITH. OFTEN TIME WE CAN PROVIDE THE ENTIRE POWER CORD FOR LESS THAN THE COST OF THE ASSEMBLED PLUG AND LABOR TO ASSEMBLE IT ALONE. □

GREG RUPPERT, PRESIDENT, QUAIL ELECTRONICS, INC.

THESE CORDS ARE NOW AVAILABLE FOR PURCHASE. PLEASE CONTACT QUAIL ELECTRONICS'S SALES DEPARTMENT FOR FURTHER INFORMATION.

THE SALES AND CUSTOMER SERVICE DEPARTMENT CAN BE REACHED AT (800)669-8090 OR E-MAIL SALES@QUAIL.COM.
