

DECLARATION OF REACH COMPLIANCE STATEMENT

REACH concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (EC1907/2006) has entered into force on 1 June 2007, and will be phased in until 2018.

As of 12 January 2017, the ECHA had identified 173 "candidate" Substances of Very High Concern (SVHC).

It is anticipated that substances used in our cable will be registered by raw material manufacturers within our supply chain. Based on our vendor supplied analyses, we declare that all power cords manufactured by Well Shin Technology CO., LTD. (to whom Quail Electronics Inc. is the US partner for) and their packaging do not contain any of these SVHC's in any concentration above 0.1%, and hereby certify that its products are in full compliance with all aspects of REACH Regulation (EC) No. 1907/2006 of the European Parliament and of the Council of 18 December 2006, concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH).
